

REMARKS

In response to the Office Action dated September 1, 2005, Applicant herein cancels Claims 32, 35, 37, 38, 43 – 46, 48 and 49. Remaining in the case are Claims 26 – 29 and 42. Claims 26 – 29 and 42 have been rejected by Examiner Wilson only on grounds of double patenting of the obviousness-type over the claims of U.S. Patent No. 6,312,261 in view of Malmin. To overcome this rejection, enclosed herewith is a Terminal Disclaimer To Obviate A Double Patenting Rejection.

It is therefore believed the application is in condition for a Notice of Allowance. Applicant reserves the rights to file one or more divisional applications on the cancelled claims.

Should any other amendments be necessary to place the application in condition for a Notice of Allowance, Examiner Wilson is invited to call the undersigned at the below noted telephone number.

Respectfully submitted,
